

FinnSonic

ULTRASONIC BENCH TOP CLEANING UNITS

FINNSONIC M

cleaner • safer • smarter

UNMATCHED POWER, DURABILITY, AND SAFETY FOR PROFESSIONAL USERS

Designed for professional use with excellent cleaning power, safety, and user-friendly design. The M series is ideal for cleaning small-to-medium sized items in small batches, for example jewelry, optics, electronics, and laboratory equipment. FinnSonic Genius+ ultrasonic technology and a heating function delivers powerful cleaning—even for the most delicate and intricate parts, down to the micron level. The compact ultrasonic cleaners remove hard to shift dirt, stains, and resistant impurities effectively and the ultrasonic power reaches even the smallest and complex blind holes, resulting in excellent cleanliness.

Choose from 3 different machine sizes, depending on the size of items to be cleaned: M4, M10 or M25.

FinnSonic M-range is **designed for a wide range of uses, from the delicate precision cleaning of micromechanical parts to heavy-duty maintenance cleaning of tools with stubborn contaminants.** Main applications include:

- » **Workshops**
- » **Laboratories**
- » **Jewelry & Watchmaking**
- » **Healthcare**

KEY FEATURES

- » **Optimal cleaning power** - Genius+ ultrasonic technology
- » **Extra-long lifespan** – durable, welded tanks*
- » **High load capacity** – robust, reinforced construction*
- » **Enhanced safety** – level sensors to prevent dry running*

*Compared to previous generation models, select units only.

TECHNICAL INFORMATION

Technical information	M4	M10	M25
External dimensions (mm)	340 x 185 x 380(h)	405 x 285 x 425(h)	620 x 345 x 425(h)
Weight (kg)	5,5	15	24,5
Tank dimensions (mm)	240 x 137 x 150(h)	235 x 215 x 200(h)	450 x 275 x 200(h)
Filling volume (l)	3	8	20
Max load (kg)	5	15	15
Basket internal dimensions (mm)	190 x 105 x 80(h)	210 x 170 x 130(h)	400 x 210 x 130(h)
Heating power W	225	660	1200
Ultrasonic power nom/peak (W)	100/200	200/400	400/800
Ultrasonic frequency (kHz)	40	40	40
Voltage V/Hz	220-240 / 50-60	220-240 / 50-60	220-240 / 50-60
Connecting load W	400	900	1700
Drain valve	R ¼"	R ½"	R ½"
Dry run protection	-	Yes	Yes
